RANGER

[ford.ca](http://ford.ca)

# THE MOST FUEL-EFFICIENT PICKUP IN CANADA<sup>1</sup>

Ranger SPORT SuperCab 4x4 in Torch Red with available equipment.

**7.3L/100 KM** HWY<sup>2</sup>  
**9.5L/100 KM** CITY<sup>1</sup>

Ford Ranger performs at the pump better than any pickup in Canada – its **fuel efficiency is best-in-class** city and highway.<sup>1</sup> It's also Built Ford Tough.<sup>®</sup> It tows up to 5,800 lbs. (2,630 kg).<sup>2</sup> It boasts **over 25 years** of proven durability and reliability. And it comes with the sensibility of 4 airbags and **AdvanceTrac<sup>®</sup> with class-exclusive RSC<sup>®</sup> (Roll Stability Control<sup>™</sup>)** – standard. Whether you like to play it safe or play it up, Ranger is happy to deliver. That's just one of the reasons it continues to be the **best-selling compact pickup in Canada.**<sup>3</sup>

<sup>1</sup>Fuel consumption ratings based on Transport Canada approved test methods for Ranger XL 4x2 with manual transmission. Actual fuel consumption may vary. 7.3L/100 km (39 mpg) hwy, and 9.5L/100 km (30 mpg) city. Class is Compact Pickups. NOTE: Ranger SPORT 4x4 shown here achieves 10.6L/100 km (27 mpg) hwy, and 14.1L/100 km (20 mpg) city with manual transmission. <sup>2</sup>When properly equipped (see towing chart in specifications section). <sup>3</sup>Based on Ford branded vehicle sales from the manufacturer's month-end release, May 2010.

2011 RANGER

[ford.ca](http://ford.ca)

# CONFIDENT PULLING POWER

Ranger XLT SuperCab 4x4 in Silver with available equipment.

Ranger is built to stand its ground – featuring **AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™)** standard on every model. It's the only brake-based electronic stability control system in its class to utilize a roll-rate sensor, monitoring the vehicle's roll motion at least 100 times per second. It automatically works with the **Anti-Lock Brake System (ABS)**, **traction control** and **yaw control** to help keep all 4 wheels firmly planted.<sup>1</sup>

The standard **2.3L 4-cylinder engine** gives you best-in-class fuel efficiency – up to **7.3L/100 km (39 mpg) hwy.** and **9.5L/100 km (30 mpg) city**<sup>2</sup> – plus 143 horsepower and 154 lb.-ft. of torque. Team it with the standard trailer hitch receiver and tow up to 2,160 lbs. (979 kg).<sup>3</sup> Need more pull? Go with the available 4.0L V6 and **tow up to 5,800 lbs.** (2,630 kg).<sup>3</sup>

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. <sup>2</sup>Fuel consumption ratings based on Transport Canada approved test methods for Ranger XL 4x2 with manual transmission. Actual fuel consumption may vary. <sup>3</sup>When properly equipped (see towing chart in specifications section).

**The available 4.0L V6 engine**, standard on SPORT and XLT, kicks out 207 horsepower and 238 lb.-ft. of torque. Mean numbers for crawling or hauling.

# 2011 RANGER

[ford.ca](http://ford.ca)

# PROVEN OFF-ROAD SKILLS

Ranger SPORT SuperCab 4x4 in Black with FX4 Off-Road Package and available equipment.

Hit dunes. Climb rocks. Tackle streams. Ranger 4x4s live and breathe serious capability. Select the ideal drive on the available **electronic shift-on-the-fly (ESOF) 4x4 transfer case** – without stopping – simply by turning a switch.

Also available to up your go-anywhere potential: **heavy-duty shocks** (standard on SPORT and XLT) and as many as **3 skid plates** (fore, mid and aft). No wonder Ranger SPORT 4x4 is a fan favourite at the Best in the Desert Racing Association series, where Ford rules as **Official Truck**. When the dust settles, Ranger triumphs.

**Twin-tube, cellular-gas Rancho® shocks** make for some serious off-road performance. Standard on all 4x4s.

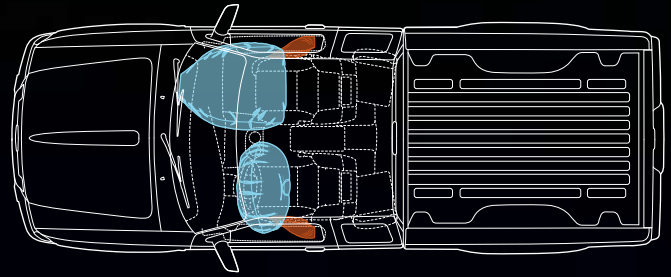

**Rugged steel skid plates** provide heavy-duty protection for vital underpinnings. Three skid plates – fore (shown), mid and aft – are standard on all 4x4s. XL SuperCabs and SPORT 4x2s get a fuel tank skid plate standard.

# 2011 RANGER

[ford.ca](http://ford.ca)

Every Ranger gets 4 standard airbags, including outboard front-seat side airbags and the dual-stage front airbags in our Personal Safety System.™

# TOUGH INSIDE AND OUT

## A. LIMITED-SLIP REAR DIFFERENTIAL

When slip is detected, it automatically transfers torque to the tire with better grip to help maximize traction. Optional on models equipped with the 4.0L V6 and included in the available FX4 Off-Road Package.

## B. 1,435-MM-LONG (56.5-IN.) REAR LEAF SPRINGS

Ideal for axle control and a smooth, balanced ride while hauling a load. Standard on every Ranger.

## C. TORSION-BAR FRONT SUSPENSION

Long wheel travel makes for outstanding off-road capability. Standard on all 4x4s and SPORT 4x2.

## D. FULLY BOXED FRONT FRAME RAILS

Major components of the rock-solid, steel ladder frame. Standard on every Ranger.

## E. FRONT TOW HOOKS

Rugged connections lend an assist (to trucks less capable). Standard on 4x4s.

2011 RANGER

[ford.ca](http://ford.ca)

# STANDARD FEATURES

## MECHANICAL

4-wheel Anti-Lock Brake System (ABS) with front and rear disc brakes
Battery saver automatically deactivates interior lights
Body-on-frame construction
Power rack-and-pinion steering
Suspension - Front: independent short- and long-arm (SLA) with stabilizer bar, coil spring (XL 4x2) or torsion bar (4x4 and SPORT 4x2); rear: 2-stage leaf springs

## SEATING

60/40 split seat
------------------

## INTERIOR

Cupholders
Dome light
Glove compartment
Grab handles for driver and front passenger
Powerpoint (12V)
Rally gauge cluster with tachometer
Steering wheel - 4-spoke

# PACKED WITH POSSIBILITIES

**TOW UP TO 5,800 LBS. (2,630 KG)<sup>1</sup>** with the available 4.0L SOHC V6 engine – standard on SPORT and XLT. Models equipped with the 2.3L 4-cylinder engine and standard trailer tow hitch receiver tow up to 2,160 lbs. (979 kg)<sup>1</sup>. And every Ranger leaves you lots of room for fun with over 203 mm (8 in.) of ground clearance.

<sup>1</sup>When properly equipped. See your dealer or owner's guide for towing limitations and other details.

**XLT CABIN IS LOADED** with more than ergonomics. On top of the leather-wrapped steering wheel with tilt and cruise control, you get this XLT exclusive: fully carpeted flooring with matching carpeted floor mats up front.

**REAR JUMP SEATS** are standard on all SuperCab models equipped with the 4.0L SOHC V6. Fold them down to give your passengers lots of leg room, or fold them up to make way for gear. The sporty cargo net is great for keeping smaller stuff close at hand, yet out of the way.

**SIRIUS SATELLITE RADIO<sup>2</sup>** comes with a 6-month prepaid subscription. Surf up to 120 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment, all across Canada. Standard on all models except XL Regular Cab.

<sup>2</sup>See your Ford of Canada Dealer or contact SIRIUS at 1-888-539-7474 for more information.

**PLUG-AND-PLAY MP3 MODE** on the available stereo system, which also comes with a CD player, gives you the all-in-one convenience of an audio input jack. So you can plug in your MP3 player and pump out all your tunes.

Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2011 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local dealer or [ford.ca](http://ford.ca) for complete vehicle details.
